Dear Speaker Boehner and Leader Pelosi:

On behalf of the Major Cities Chiefs Association, I am writing to express our strong opposition to H.R. 822, the National Right-to-Carry Reciprocity Act of 2011. As the officials responsible for public safety in the largest metropolitan areas, we recognize that this legislation would be an enormous mistake.

This misguided legislation would undermine efforts by law enforcement agencies across the Nation and thwart measures already enacted by the States. Please know that we stand with the more than 400 Mayors who have objected to this ill-conceived proposal that intrudes upon the sovereign authority of State and local governments.

An oversimplification of carefully reasoned standards and licensing provisions, the proposed measure would arbitrarily overturn laws which have been tailored to the needs of regions and local communities. Passage of this legislation would be an affront to Federalism as it would force a state to accept permits from other jurisdictions - whether or not the permits comport with the laws of that state.

We are confident that members of Congress will respect the authority of states, counties and cities to adopt their own regulations regarding weapons and will not act with disregard for the many reasonable and prudent laws already in place across the Nation.

Chiefs of Police call upon you to vote against this dangerous and unconstitutional legislation.

Sincerely,

Charles H. Ramsey  
Police Commissioner, City of Philadelphia  
President, Major Cities Chiefs' Association
